## Earth's Structure Quiz Corrections

**Directions:** To correct your heat transfer quiz follow the directions for each part of the quiz and complete them below.

### **Part 1 Fill in the Blank:**

Directions: For each incorrect answer re-write the statement correctly and write an additional sentence justifying (supporting) why this answer is correct.

### **Part 2: Short Answer:**

Directions: Record the question with the correct answer. Be sure to re-read the directions, careless mistakes occurred because students did not read the directions!

### **Part 3: True/False:**

Directions: For each incorrect answer write a sentence explaining what the correct answer is, and why.

**Part 4: Earth's Structure Drawing:** Correct your drawing below and include a brief description of each layer. (one sentence)
