

Plate Boundary Project Resources:

1. NASA's educational webpage about plate boundaries:

<http://scign.jpl.nasa.gov/learn/plate4.htm>

2. A good resource covering different boundaries:

<http://www.cotf.edu/ete/modules/mse/earthsysflr/plates3.html>

3. United States Geological Survey Information on Plate Boundaries:

<http://pubs.usgs.gov/gip/dynamic/Vigil.html>

4. Here's another resource for plate boundaries:

http://www.platetectonics.com/book/page_5.asp

5. Here is an interactive website which shows the locations of different boundaries around the Earth.

<http://www.learner.org/interactives/dynamicearth/plate.html>
