

## Hale Middle School Cooking Club 2009- 2010

The Hale Middle School cooking club will be offered every Friday after school until 3:30. This club will teach the basics of cooking and baking and will be organized and run mostly by the students themselves. Students will incorporate science, math, and reading into cooking while also having fun!

The cooking club is available to any interested students regardless of cooking experience. Mr. Whitaker will be the cooking club advisor and main contact.

For more information about the Cooking Club, please contact Mr. Whitaker at 978-897-4788 x208 or [cwhitaker@nrsd.net](mailto:cwhitaker@nrsd.net).
